🏠 Street 192, Sangkat Teuk Laak III, Khan Toul Kork, Phnom Penh, Cambodia

Technical Skills

- Programming Languages: Python, Java, JavaScript, Dart(Flutter)
- Web & Mobile Development: HTML, CSS, Angular, Flask, Spring Boot, REST API
- Database Management: MySQL, Oracle
- Tools & Platforms: Git, GitHub, Postman

Soft Skills

- Strong communication
- Attention to detail
- Problem-solving
- Time management
- Teamwork and collaboration
- Adaptability
- Responsible and proactive attitude

Language

- Khmer
- English

Education

2022 - 2026
SETEC Institute
Bachelor of MIS(Management Information System)

2025 - Present
Pannasastra University of Cambodia (PUC)
General English

Academic Experience

2022 – 2026
Bachelor of MIS – SETEC Institute
Web Development
- Built full-stack web applications using Python (Flask), JavaScript, HTML, CSS, and MySQL.
- Developed RESTful APIs and implemented user authentication (login/register).
- Managed databases for web projects using MySQL, Oracle, and SQLite.
- Collaborated in teams using Git/GitHub for version control and project management.

Backend & API Development
- Developed backend services using Python (Flask) and Java (Spring Boot).
- Designed and implemented RESTful APIs for web and mobile applications.
- Managed and queried databases using MySQL, Oracle, and SQLite.
- Handled user authentication, data validation, and CRUD operations.
- Collaborated in teams using Git/GitHub for version control and project management.

Mobile Application Development
- Developed mobile applications using Flutter and Dart.
- Integrated RESTful APIs for dynamic data handling.
- Managed local and remote data with MySQL and SQLite.
- Collaborated in teams using Git/GitHub for version control and project management.
